

# Fall Essentials Webinar Series

The Blue Water College Access Network's 4-Part webinar series will provide you with the essential steps for career and college planning. During these 1-hour virtual sessions, industry experts will help students and their families easily navigate the application process, identify important changes, and successfully prepare for their future after graduation.

## College Applications and Essays

*Navigating the college application process during the pandemic.*  
Wednesday, Sept. 23, 7–8 p.m.

The college admissions process for the graduating Class of 2021 continues to evolve in response to the pandemic, but application details and deadlines have not. Join us to learn more about successfully completing the admission process for the college of your choice.

## Scholarships and Paying for College

*Apply here. Apply there. Apply everywhere!*  
Wednesday, Oct. 21, 7–8 p.m.

College can be more affordable than you think. Scholarships can offset the cost of college, but the process of finding and applying for them can seem like a full-time job. Learn how to maximize your time and effort to give you the best chance of financial rewards.

### Win a \$500 Scholarship!

One St. Clair County 11th- or 12th-grade student in attendance will win a \$500 scholarship at the end of each webinar.

Scholarships provided by the Community Foundation of St. Clair County.
